

St. Joseph Catholic School

To all whom this present document may come, Greetings:

Bolstered by our common vision and mutual support, we rally around St. Joseph Catholic School and celebrate the accomplishment of reaching our eighth year of renewed operation as a Catholic school. We are the St. Joseph Family. We are a people committed to excellence, unwilling to settle. The success of St. Joseph's is a microcosm of the success of the Enid Catholic community as well as the greater Christian effort here in north central Oklahoma. The St. Joseph Family is the direct result of faith in action, for we can do all things through Him who strengthens us (cf. Phil 4:13).

I speak for the faculty and staff in gratitude for the utmost care that you have for your child's Catholic education. Together, we share a sacred trust in bringing a child to know, love, and serve God. The faculty and staff look forward to working with you to help your child to reach his/her potential within the framework of Catholic education and an ever-changing world.

This handbook serves as a guide to our school and as a reference for information pertaining to student programs and activities. The official policies and procedures of the shared or independent responsibilities of the student, parents/ guardians, and the school are included. Please read this handbook together with your child and refer to it as needed throughout the year.

May the gifts of the Holy Spirit fuel our zeal for St. Joseph Catholic School this year!

Grace and peace,

Mr. Wade A. Laffey
Principal, St. Joseph Catholic School
